

Little Einstein Nurseries Hillside

Issue Date

Autumn 2015

Suggestions

As you may have seen the front entrance has had a slight makeover. We welcome all parents and children to put forward suggestions to the nursery. You can do this by writing on a slip and popping it into the white post box at the front entrance. We always value your feedback and do our utmost to better our practice at all times.

Staffing

I would like to thank all parents for their cooperation with our recent staff changes, we are still trying to smooth a couple of creases out at the moment but we hope that you can bear with us until this is complete. As we have said goodbye to both

Lynsay Wallace and Lauren Maguire this month there has since been a few new staff recruited. Hillside nursery would like to welcome:

- **Aimee Douglas** – Modern Apprentice based in the 2-3 yrs room.
- **Lauren Carslaw** – Modern Apprentice based in the 3-5 years room.
- **Natalie Peacock** – Early Years Practitioner based in the 2-3 years room.
- **Nicole Santi** – Early Years Practitioner based in the 1-2 years room

Website!

Autumn Menus

Autumn is upon us! This year is flying in – we have now transitioned onto the Autumn 4 weekly menus, copies of these are available if you require them, they are also displayed throughout the nursery.

Autumnal Weather

Now that we are in the autumnal weather could we ask that parents ensure that children are being provided with a jacket and appropriate outdoor clothes for the colder days! You are able to bring in wellies and leave them within the nursery if you would like that, just ensure that they are clearly labelled with your child's name.

Fundraising

Thank you for all the parents and children for your participation and donations for our Genes for Jeans Day – we raised £23.00 which I'm sure the charity will appreciate.

Parent/Community Participation

We had a lovely visit from Jen from Asda's community team – she brought along a lot of different fruits for all of the children to try within the 3-5 years room, the children thoroughly enjoyed it and we are looking forward to future events with Jen and the Asda Team!

Dates for Your Diary

Halloween Party!

Friday 30th October

2:30pm until 4pm

all children are invited to come along dressed up for lots of fun activities.

There will be a prize for best dressed!
