

Little Einsteins Nurseries Hillside

Autumn 2017

Changes within the nursery!

Some of you may be aware that we submitted a variation into the Care inspectorate to potential move the 2-3 years into the big room on the bottom level of the Nursery, as this would benefit the children greatly. Before this can happen, we have to make some adjustments which involves changing our laundry room into children's toilets and changing area. This work has started, once it is complete we have to contact CI to come out to ensure we have completed what they have asked and then we can move the children. We will keep you informed throughout this process.

Autumn Menus

Autumn menus have been introduced and are being rotated 4 weekly – these are displayed throughout the nursery, if you require a copy please ask.

Appropriate clothing for all weathers!

You never know what the weather will be like throughout the day, can you please ensure that you provide your child with appropriate clothing for all weathers.

Donations

We are developing the mud kitchen within our garden area, can we ask that if you have any old pots, pans, utensils ect. To bring them in. We will leave a box at the front entrance. Thank you in advance.

Halloween Party

All rooms will be having a Halloween party on Tuesday 31st October 2017. The party will start at 2.30 and finish around 4pm. Children are welcome to dress up.

All children are welcome!!

Eco Committee

We have just sent away for our Green Flag award with all our hard work we have been putting in. Children have been enjoying some of our produce we have harvested from our garden. We are currently again clearing out the garden to begin new planting season. There is an Eco-book with all our evidence of hard work which can be found in the discoverers room.

Kids Klub

Kids Klub will be visiting the Nursery on Tuesday 10th October 2017. If you do not wish your child to take part please inform a member of staff. All children can take part, if your child isn't in on Tuesdays you can make an appointment the filming should only take 10-15 minutes. It will be the Christmas theme, parents can provide children with other clothes which staff will change before and after filming.

Learn, Play & Grow

We are hoping to trial a children's fitness entertainer for the 2-5 years age range in the next couple of weeks to hopefully have a permanent session for the children to enjoy. We will however keep you up to date on this.

What we have been up to in Nursery!

Explorers

Every Wednesday we attend book bug session at Thornliebank library, and the children have been interested in sensory play.

Discoverers

We have started a home link display on the door leading into the room. If you would like to continue to send us regular information on what you and your child has been up to. We are also having a week all about books as the children are really interested in this, there is a sign on the door to let you know what we have planned!

Investigators

The staff planned a week of fun with the children in the investigators room. Each day the children carried out a variety of planned fun learning experiences, and visited the transport museum as the children's interest now is transport.

Inventors

The children have been showing an interest in road safety, we have entered Ziggy's big competition which will help the children learn about road safety in a fun and creative way.
