DECEMBER 2017

Christmas Nativity

HO HO HO

Well done to our Inventor children who have been singing their Christmas songs lots this week. On Friday 8th December the children performed at head office for all their family and friends. The children did very well with their solo lines and singing. We even got everyone singing "We Wish You a Merry Christmas" at the end. This week they also performed for the residents at Methven House Care home bringing some Christmas spirit to the residents, which they loved.

Staff News

We have some sad news that after celebrating 10 years with Little Einstein's Careen has decided she is leaving the company to start a new adventure in another nursery setting. We wish her all the best in her new job, Careen's last day with us will be Friday 5th January.

Jaclyn Mitchell is starting the nursery as a qualified Early Years Practitioner on Wednesday 27th December. Jaclyn will be working full time in Investigators 1 and has many years' experience working with children.

Nicole was due to return to the nursery after her maternity leave finished on 15th January. She has decided that she would like to stay at home to look after her daughter before a change in career going into beauty. We wish Nicole all the best in the future.

We are currently advertising for a nursery cook. If you or anyone you know who may be interested in the post, you will find the advert on Indeed. If you would like to discuss it further, please come in and see Irene at the nursery office.

We wish you all a very Merry Christmas and Happy New Year when it comes.

See you all in 2018 😊
