

LITTLE EINSTIENS NURSERIES FOOD AND NUTRITION POLICY

The weekly snack and lunch menu will be on display in advance, on the Parents noticeboard and also on www.littleeinstiensnurseries.co.uk . Recipes will be available on request.

The weekly menu will provide children with a varied and healthy diet.

All children will be offered suitable foods; this will include children with special dietary requirements and allergies.

Early session children who do not receive breakfast at home will be offered this when they arrive in agreement with parents or guardians

Milk and water will be served with morning and afternoon snacks.

All dairy products used will be full fat.

Water will be available at all times

Water or diluted fruit juice will be served with main meals.

Children will be allowed second-helpings of fruit or milk-based desserts if available.

Children will still receive dessert if they refuse their main course

Parents or guardians will be advised if their child is not eating well.

Parents of children who are on special diets will be asked to provide as much written information as possible about suitable foods, and in some cases may be asked to provide the food themselves. A photograph of any child with a special dietary requirement or allergy will be displayed in the food preparation area to ensure that permanent and supply staff are aware of each child's needs.

Carers will sit with children whilst they eat and will provide a good role model for healthy eating.

Withholding food will not be used as a form of punishment.

Children will be encouraged to develop good eating skills and table manners, and will be given plenty of time to eat.
