

April 2018

Stay and Play

Our stay and play session for the 0-2 room is planned for Wednesday 23rd May from 3.30pm-4.30pm. Parents or family members are welcome to come along and have fun at the nursery and see what fun stuff the children are up to.

Graduation

The graduation will be held on Friday 3rd August from 2pm-4pm.

Sadly, some of our 3-5 room nursery children will be leaving Little Einstein's this summer but we would like to wish them all the best for their new adventure at school.

Newsletter

Sun cream

As we are now hoping for sunny days, can I ask that you provide a sun hat and sun cream for your child to be left in the nursery. The sun cream must be brand new and unopened.

There is a consent form that the staff will ask parents to sign to say their child is allowed/not allowed the sun cream during their time at nursery.

We aim to spend a lot of time outdoors therefore it would be great if we had the sun cream and sun hats as soon as possible.

Parents Evening

The nursery will be holding another parents evening in May.

This evening will give you the opportunity to discuss your child's development.

The date for parents evening will be:

Tuesday 29th May 2018

Staff will ask you to pick a time slot which will start at 6.15pm. We ask parents to arrive 10-15 minutes before their time is due, to allow time for additional paperwork to be completed and to have a look through your child's folder.

Evening

Loose Parts Play

'Loose parts' theory is about remembering that the best play comes from things that allow children to play in many ways and on many different levels. Environments that include 'loose parts' are infinitely more stimulating and engaging than static ones. The play environment needs to promote and support imaginative play through the provision of 'loose parts' in a way that doesn't direct play and play opportunities but allows children to develop their own ideas and explore their world.

We are looking to expand our collection of loose parts around the nursery indoors and outdoors. We have a list of items which you may have and probably have put in the bin. Can we ask that if you have any items that you hand them in to the nursery?

List of Loose parts

- Tins
- Different colours of materials.
- Pots/pans
- Utensils
- Curtain rings
- Pipes

Indoor and Outdoor Shoes

Could you please ensure when your child is dropped off at nursery, they have separate indoor shoes? This is so that children are more comfortable when indoors and they are not in their outdoor shoes (wellies) all day.

Crocs would be preferred but any indoor shoes are fine. Thank you!

2018

Fun Day

We will be having our Fun Day at Little Einstein's Perth on Saturday 23rd of June from 10.30am-2.30pm.

All families are welcome to come along and join in.

Some of the fun things that we are planning is face painting, bouncy castle, cake stalls, outdoor activities, raffle and many many more for all ages.

As well as a Fun Day, it will also be an Open Day where parents looking for a nursery will be able to come and view it. If you know any family or friends looking for a nursery for their child, please let them know about this.
