

Summer Newsletter 2018

Room changes.

As Hannah is going to be staying here at the nursery Hannah will be moving through to the Discoverers room to support.

Riffit will have a new Modern Apprentice joining her in the Explorer's room.

Explorers Room

Riffit and a Modern Apprentice.

Discoverers Room

Hannah, Kelsey and Natalie

New staff member.

We have a new member of staff who joined our team. Her Name is Natalie. Natalie joined on the 18th June 2018 and she will be a Modern Apprentice, working closely with all staff in the Nursery. Natalie will have time in each of the rooms to gain experience with all age groups for the start of her training.

Little Einsteins Nursery, Arbroath.

Achievements.

A massive well done to Kelsey as she is now a fully qualified member of staff achieving her SVQ level 3.

Also, a massive well done to Hannah who has been offered and accepted a full-time position with us here at little Einsteins. Hannah's SVQ work has been sent to SQA to be verified. Hannah will soon be a qualified member of staff.

Nursery Development

We have all been working extremely hard to develop our nursery playrooms. We have focused on bringing in natural materials and loose parts play. We are starting to look at developing the garden.

Samantha has organised someone to build a mud kitchen for the garden. We are again looking for natural materials to use within the garden and less plastic. If you have anything lying at home that may be useful please feel free to donate these to the nursery. This could include, old wellies, empty plastic (clear) bottles, planting equipment, anything wooden. If you think you have something we could find useful but are unsure just ask any member of staff 😊.

Make sure you give us a 'like' on Our Facebook Page.

Who are the officers within the nursery?

Health & Safety officer – Riffit
Data Protection officer - Riffit
Child Protection officer - Samantha
Fire Safety officer- Samantha

First aiders

Samantha, Riffit

Maternity Leave.

Lea is currently on Annual leave which will lead into her maternity leave. Lea is due to come back to the nursery summer next year.

What have we been interested in?

Explorers (0-2')

The staff in the explorers have been working very hard to make planning reflect all the children's interests within the room.

One interest has been exploring, the children have enjoyed the new treasure baskets in place with new equipment that has been put into them many of our babies are crawling or even walking now, so they are able to explore the entire room which they have shown a great interest in doing.

Please have a look at the display boards outside the rooms, the responsive planning will be displayed on here until the staff evaluate it, once it has been evaluated it will be placed inside our responsive planning floor book these are also available to look at in the room just ask a member of staff if you can't see it.

Discoverers (2-3's)

Children in the discoverers room have shown a great interest in Literacy, the old lady who swallowed a fly has been extremely popular within the room the staff are going to be making an interactive wall display with the children based on the old lady who swallowed a fly.

Please have a look at the display boards outside the rooms, the responsive planning will be displayed on here until the staff evaluate it. Once it has been evaluated it will be placed inside our responsive planning floor book. These are also available to look at in the room, just ask a member of staff if you can't see it.
