### Fun Day

We are hosting a fun day on **Saturday 29<sup>th</sup> September** from **10.30am-2.30pm**. There will be lots of different activities to take part in run by the staff and a raffle with some great prizes to win.

We look forward to seeing as many of you there as possible with all your friends and family.

Also, if you are aware of any other families who might be interested in our nursery, please also let them know as it will give them an opportunity to meet the staff and see the nursery.

### Wet Days

It seems that the beautiful weather may finally be leaving us for another summer. However, we all know a little rain doesn't phase our children or staff!

As we continue to make use of our lovely garden, please can you ensure that children are bringing appropriate clothing for outdoors.

Welly boots and wet suits are perfect for splashing in puddles and keeping the children warm and dry.

## Congratulations Larissa

A big well done is in order for Larissa for completing her SVQ in Social Services (Children and Young People). Larissa is now an Early Years Practitioner in the 3-5 room.

## Grandparents Day

Grandparents often play such a vital role in the lives of children and here at Little Einsteins we think it is important to celebrate that.

National Grandparents Day is Sunday 7<sup>th</sup> October. We would like to invite all Grandparents in on **Friday 5<sup>th</sup> October** from **2.30pm-3.30pm** for an afternoon tea. This will give the children an opportunity to say thank you for all the love and support they receive.

## Halloween Party

Halloween is coming up again so we are going to have a Halloween party on **Wednesday 31<sup>st</sup> October**.

Families are invited to come for some party games and spooky treats from **2.30pm-3.30pm**. If your child does not normally attend on this day, you are still more than welcome but the child must be accompanied by an adult. Please could you let us know if you plan on attending.

We hope to see you there.

## Loose Parts

Thank you all so much for your kind donations towards our Loose Parts. We are always looking for more bits and bobs for the children to explore.

Anything that you no longer need that you think could ignite a child's imagination, we would like!

Please place anything you have in the loose parts crate in the entrance.

## Bookbug Training

All staff attended Bookbug Training last month. Scottish Book Trust offers this training to support professionals to make sure that stories, songs and rhymes are part of every baby and young child's life.

The staff were informed about the importance of singing with the children for the development of their language and are enjoying putting their new knowledge into practice.

You can find out more about Bookbug on their website.
