Winter Newsletter

Notice about change in management

From January, Alice Ysennagger will become the manager for Little Einstein's Perth. Fareeha Hussain will remain with Little Einstein's but become the area manager for all nurseries. I would like to thank all parent's who I have worked with in the past year, it has been a pleasure! I will surely miss everyone but will often be around. All the best to Alice in her new role.

Christmas Party and Sing Along

We invite you to bring friends and family along to see the wonderful children of the nursery sing some festive songs at **2pm on Wednesday 19th December**. After this, we will be hosting a party which we hope you will also be able to attend with festive games and treats. This will finish at 4pm.

Christmas Jumper Day

National Christmas Jumper day is happening on **Friday 14th December**. However, we thought every December Friday deserves a festive dress down. So, all children are welcome to wear a Christmas jumper or festive outfit every Friday.

Christmas Holidays

The nursery will be closed on **Tuesday 25th and Wednesday 26th December** for Christmas. We will be returning on the 27th with usual opening hours. We will then close again in **Tuesday 1st and Wednesday 2nd January** for the New Year. Normal hours will resume on **Thursday 3rd January**.

Clothing

During the winter months we will still be using our garden area as accessing the outdoors is vital for children's development. We will be using the grassy area if the playground becomes icy but do not want your children to be wet and uncomfortable during the day.

Please ensure that your child has appropriate clothing and shoes for outside or a change of clothes for staff to change them into if they do become wet.

Welly boots and wet suits are perfect for splashing in puddles and keeping the children warm and dry.

Winter Menu

Our children have loved the Autumn menu but from **3rd December** we will be changing to our new winter menu. If you any questions about this or would like to see it, please speak to a member of staff.

Resources

We have been busy sourcing new resources to ensure that your children have the best possible experiences for learning at nursery. We are still in the process of building our loose parts play and outside musical wall. If you think you might have anything that could be of use to us, big or small, please bring it in. Children are very imaginative and can dream up the craziest games with even the simplest of resources. Any donations are gratefully received.

Tiny Tots Tuesdays

We have started hosting an event on Tuesday mornings from 10am-11am for families with children under the age of 1. They are invited to stay and play with their child in the Baby room for this time. If you know anyone who might be interested in attending these sessions, please let them know.

Employee of the year

This year we will be awarding one member of staff with employee of the year, and we need your help. If there is a member of staff that you believe deserves this title (and an extra week of annual leave!) please vote on the slip in the lobby and place it in the box. Every vote counts!

Thank you

Finally, a big thank you to all parents and your families for all the support you have shown the nursery. Thank you for attending the events we have put on and helping us best care for your children. We hope you have a magical Christmas however you choose to celebrate and a Happy New Year.
